ONE MAN, MANY LIVE

Marika Anna Kawalec

ABSTRACT

Mrs Catherine, under nickname Claire North, has wrote some books already in the same kind. One of them is the world bestseller „First fifteen lives of Harry August”, which contains historical, science fiction details, moves on chemistry and physics, shows life in many places in the world nad also events, which took place in reality. Many reviewers compare her to Terry Pratchett and Philip Pullman. The Author draws us to war between ouroboros or rather the fight for survival. Just knowing that those people might exist gives a thrill. Those thrills running through the back are the result of a perfect showcase of the world by Mrs. Catherine. If someone thinks that this book is boring, then he is not able to appreciate the work, which this women put to this beautiful, emotional story.

Key words: world bestseller, reality, perfect world, emotional story
